

St. Mark's School Bus  
2011-2012

St. Mark's will once again be offering bus transportation to students who live south and west of the school's location. The current route serves families/students in the area of Overland Road and Five Mile, and Chinden and Eagle Road. Pick up and drop off of students occurs at both locations.

There are seats for approximately 55 students on the bus. Priority is given to full time riders but students needing a ride only one way can also be accommodated.
